

Red stars = Accredited UG programs; Purple stars = Grad programs. The states with boxes that are white indicate there is a council member (4 council members - 3 practitioners and 1 academic) that is ending their 1<sup>st</sup> term and may be up for re-election to 2<sup>nd</sup> term. We are losing 5 (4 academic/1 practitioner) council members to their 2<sup>nd</sup> term. We should actively recruit from North Carolina, Michigan, Ohio, New York/Pennsylvania, Mississippi states where they haven't had any representation for a couple years – or more.
